## ABOUT THE KARNATAK UNIVERSITY

Karnatak University, Dharwad is the second oldest University in the state of Karnataka, established in the year 1949. The University is spread over 888 Acres of land and the campus is known as Pavate Nagar, named after Wrangler Dr. D. C. Pavate, who was an educational administrator and former Vice-Chancellor of Karnatak University Dharwad. The University is presently re-accredited with the 'A' Grade status by the NAAC in 2022 and awarded University with Potential for Excellence by University Grants Commission.

## ABOUT THE DEPARTMENT

The Department of Mathematics was established in the year 1958. Since then, the Department is serving as seat of learning and research imparting higher education in Mathematics. The Department offers M.Sc., and Ph.D. degrees in Mathematics. Presently active research is being carried out in the areas of Graph Theory, Topology, Wavelet Analysis, Complex Analysis, Fluid Mechanics, Functional Analysis, Differential Equations, Numerical Analysis, Algebra, Real Analysis, Operations Research, Linear Algebra, Integral Transforms and Integral Equations, Calculus of Variations etc. Department has successfully completed UGC-SAP DRS-III and DST-FIST. Presently the Department is supported by the NBHM Library Grants.

## ABOUT THE PAVATE INSTITUTE OF MATHEMATICAL SCIENCES (PIMSCI)

The main aim of the PIMSCI is to provide a forum for a consortium of M.Sc. Students, Research Scholars, Mathematicians, Researchers and Educators for the world. As a result, it promotes its members to qualify in NET, GATE, K-SET, etc., Examinations, Research, Collaborative Research Activities, Special Lectures, Knowledge Exchange, Faculty Development Programs and Advancement in their Careers. The association attempts to improve the knowledge and applications of Mathematical Techniques by planning a variety of Special Lectures, Collaborative Research Activities, Workshops, Seminars, Conferences and FDP, etc.

## ABOUT THE DHARWAD

The history of Hubli-Dharwad, the twin cities date back to the period of Hoysala. The city is also popular for its contributions towards Indian culture, especially to classical music and

literature, and prominent educational organizations. The very presence of three Universities, University of Agricultural Sciences Dharwad (UASD), Karnatak University Dharwad (KUD), National Forensic Sciences University Dharwad (NFSUD), Indian Institute of Technology Dharwad (IITD), Indian Institute of Information Technology Dharwad (IIITD). Dharwad city is well connected by road, rail and air. It is situated on the National Highway NH-4, the main highway between Pune and Bangalore city. The University is very near to Dharwad Railway Station and Dharwad Bus Stand. It is about 20 kilometers from the Hubli Airport.

## HOW TO REACH

Dharwad is well connected by rail; the nearest railway station is Dharwad. The nearest railway junction is Hubli, which is well connected to Bengaluru, Kolkata, Chennai, Mysore, Mumbai, Hyderabad, and Delhi. By road, it is about 420 km from Bengaluru, 450 km from Mangalore, and 400 km from Pune, and it is on the Pune-Bangalore National Highway-4. The nearest airport (Hubli) is about 25 kilometers from Dharwad.

## ABOUT PROF. R. BALAKRISHNAN ENDOWMENT TRUST

The Prof. R. Balakrishnan Endowment Trust, established in the honor of Prof. R. Balakrishnan, aims to inspire young students to pursue advanced Mathematics and Research. The trust promotes Mathematics at all levels, igniting passion for advanced Mathematics, encouraging critical thinking, advancing knowledge, and supporting research and scholarship in Mathematics.

Open to all Mathematics students, the trust's objectives include: Motivating students to pursue higher degrees in Mathematics, Providing 5 Best Paper Awards (Rs. 2,000 each) at ADMA and RMS annual conferences, Offering Rs. 5,000 grants to ADMA and RMS for Prof. R. Balakrishnan Endowment Lectures and many more.

By supporting research, scholarship, and education in Mathematics, the trust fosters a vibrant community of mathematical thinkers and researchers, continuing Prof. Balakrishnan's legacy. The trust operates non-profit, dedicating resources to promote Mathematics education and research across various institutions. With these initiatives, the Prof. R. Balakrishnan Endowment Trust encourages excellence and innovation in Mathematics, benefiting students and researchers alike.

## ABOUT THE SPECIAL LECTURES

The objective of the Prof. R. Balakrishnan Endowment Lecture and National Level Mathematics Faculty Development Program on "MAPLE with Computational Mathematics", is to master the teachers, research scholars & PG. Students in MAPLE programming with computational Mathematics. It intends to provide a platform for participants to interact and exchange their ideas with experts. Interested Students and Teachers of Universities / Colleges / Research Organizations are invited to participate in PRBEL & NLM-FDP-MCM-2025.

## ACCOMMODATION

Accommodation will be arranged on request with moderate charges for outstation participants in the Karnatak University Guest House/Hostels (limited accommodation is available and will be provided on a first come first serve basis).

## NOTE

All the participants are requested to bring a laptop installed with MAPLE software; it is compulsory for the hands-on experience with regard to the MAPLE programs discussed in PRBEL & NLM-FDP-MCM-2025.
