## ABOUT KARNATAK UNIVERSITY

Karnatak University, Dharwad is the second oldest University in the state of Karnataka, established in the year 1949. The University is spread over 888 Acres of land and the campus is known as Pavate Nagar, named after Wrangler Dr. D. C. Pavate, who was an educational administrator and former Vice-Chancellor of Karnatak University Dharwad. The University is presently re-accredited with the 'A' Grade status by the NAAC in 2022 and awarded University with Potential for Excellence by University Grants Commission.

## ABOUT THE DEPARTMENT

The Department of Mathematics was established in the year 1958. Since then, the Department is serving as seat of learning and research imparting higher education in Mathematics. The Department offers M.Sc. and Ph.D. degrees in Mathematics. Presently active research is being carried out in the areas of Graph Theory, Topology, Wavelet Analysis, Complex Analysis, Fluid Dynamics, Functional Analysis, Differential Equations, Numerical Analysis, Algebra, Real Analysis, Operations Research, Linear Algebra, Integral Transforms and Integral Equations, Calculus of Variations etc. Department has successfully completed UGC-SAP DRS-III and DST-FIST. Presently the Department is supported by the NBHM Library Grants.

## ABOUT PAVATE INSTITUTE OF MATHEMATICAL SCIENCES (PIMSCI)

The main aim of the PIMSCI is to provide a forum for a consortium of M.Sc. Students, Research Scholars, Mathematicians, Researchers and Educators for the world. As a result, it promotes its members to qualify in NET, GATE, K-SET etc., Examinations, Research, Collaborative Research Activities, Special Lectures, Knowledge Exchange, Faculty Development Programs and Advancement in their Careers. The association attempts to improve the knowledge and applications of Mathematical Techniques by planning a variety of Special Lectures, Collaborative Research Activities, Workshops, Seminars, Conferences and FDP etc.

## ABOUT DHARWAD

The history of Hubli-Dharwad, the twin cities date back to the period of Hoysala. The city is also popular for its contributions towards Indian culture, especially to classical music and literature and prominent educational organizations. The very presence of four Universities namely University of Agricultural Sciences Dharwad (UASD), Karnatak University Dharwad

(KUD), Karnataka State Law University Dharwad (KSLUD) and National Forensic Sciences University Dharwad (NFSUD), Indian Institute of Technology Dharwad (IITD), Indian Institute of Information Technology Dharwad (IIITD). Dharwad city is well connected by road, rail and air. It is situated on the National Highway NH-4, the main highway between Pune and Bangalore city. The University is very near to Dharwad Railway Station and Dharwad Bus Stand. It is about 25 kilometers from the Hubli Airport.

## HOW TO REACH

Dharwad is well connected by rail; the nearest railway station is Dharwad. The nearest railway junction is Hubli, which is well connected to Bengaluru, Kolkata, Chennai, Mysore, Mumbai, Hyderabad, and Delhi. By road, it is about 420 km from Bengaluru, 450 km from Mangalore, and 400 km from Pune, and it is on the Pune-Bangalore National Highway-4. The nearest airport (Hubli) is about 25 kilometers from Dharwad.

## ABOUT CoreEL TECHNOLOGIES

CoreEL Technologies is a systems engineering and technology Solutions Company founded in 1999. As a leading developer of advanced electronic system-level products, the company serves the defense, aerospace, digital video solutions, HPC, and higher education markets. Driven by innovation and a multi-disciplinary approach, CoreEL offers a wide range of solutions, including intellectual property cores, design and development, system design and prototype development, next-gen digital products, integrated solutions, low-volume manufacturing, system upgrades, obsolescence management, COTS products, semiconductor solutions, and technology training. Recognized by the Government of India's Make in India initiative for its innovative solutions, CoreEL is committed to its vision of innovating, designing, developing, and marketing best-in-the-world customer application-specific products and solutions.

## ABOUT THE SPECIAL LECTURES

The objective of the National Level Mathematics Faculty Development Program on "MATLAB with Computational Mathematics" & "CoreEL Led MATLAB Software Training", is to master the Teachers, Research Scholars & PG. Students in MATLAB programming with computational mathematics. It intends to provide a platform for participants to interact and exchange their ideas with experts. Interested Students and Teachers of Universities / Colleges / Research Organizations are invited to participate in NLM-FDP-MCM & CLMST-2025.

## ACCOMMODATION

Accommodation will be arranged on request with moderate charges for out station participants in the Karnatak University Guest House/ Hostels (limited accommodation is available and will be provided on a first come first serve basis).

## NOTE

All the participants are requested to bring a laptop installed with MATLAB software, it is compulsory for the hands-on experience with regard to the MATLAB programs discussed in NLM-FDP-MCM & CLMST-2025.
