A State Level IT Fest - 2K22

TAKSHAK

Think Quick, To Win Tech

At Karnatak University Dharwad, we believe in transforming young minds into skilled and confident individuals. And to achieve this, a technical state level IT fest - TAKSHAK 2K22 is held at the Department of Computer Science, Karnatak University Dharwad. We hope to make this fest not only informative and intellectual but also to enlighten your knowledge. If you wish to have your own piece of history, come with us on a journey that certainly blooms your mind for a long long time.

It is a two-days fest to be organized on **JULY 22nd and 23rd, 2022**. This IT festival is conducting with the aim of providing a great platform for the students, to showcase their technical and logical skills which enhances their creativity.
